

STATEMENT OF FAITH

1. We believe in the scriptures of the Old and New Testaments as being verbally inspired by God. They are the supreme and final authority by which all-human opinions; creeds or conduct shall be tried and judged.
2. We believe that Jesus Christ was begotten by the Holy Spirit, born of the virgin Mary, and is both true God and true man.
3. We believe that the Lord Jesus Christ died for our sins according to the scriptures as a representative and substitutionary sacrifice, and that all who believe in Him are justified on the basis of His blood shed on Calvary's cross.
4. We believe in water baptism following an individual's salvation experience. We follow the example of Jesus by being fully immersed in water. We also baptize according to Matthew 28:19; in the name of the Father, Son and Holy Spirit.
5. We believe in the bodily resurrection of Jesus Christ who has ascended into heaven and ever lives to intercede for us.
6. We believe in the rapture of the church and the Second Coming of Jesus Christ.
7. We believe that all who have received by faith the Lord Jesus Christ as their Lord are born again of the Holy Spirit and have become children of God and members of the body of Christ.
8. We believe in the baptism of the Holy Spirit, a second experience subsequent to salvation, for believers who have already been born again. The baptism of the Holy Spirit anoints the child of God with power to witness and supernatural strength to live the crucified life.
9. We believe in healing, deliverance and prosperity for the whole man: spirit, soul and body.
10. We believe in one God, eternally existing in three persons, the Father, the Son and the Holy Spirit.

CHRISTIAN PHILOSOPHY OF EDUCATION

"Happy is the man that findeth wisdom, and the man that getteth understanding." (Proverbs 3:13)

The Christian Philosophy of Education at Agape Academy is as follows:

1. We believe that the fear of the Lord is the beginning of knowledge and that all knowledge has its foundation in the Word of God.
2. We teach the Bible as God's inspired Word and help the students to develop attitudes of love and respect toward it.
3. We train the students to set their hope in the Lord, love Him and keep His commandments.
4. We encourage the students to develop a desire to know and obey the will of God as revealed in the Scriptures.
5. We seek to impart an understanding of the purpose of discipline and to teach the student to govern himself by the power of the Holy Spirit.
6. We try to stimulate and enlarge the student's involvement in the church and its worldwide tasks of witnessing and evangelizing.
7. We encourage the students to develop the mind of Christ toward Godliness and to overcome and be victorious.
8. We teach healing, deliverance and prosperity for the whole man: spirit, soul and body.
